Seeding

Play-offs will be a blind draw. More information will be posted on the web-site.

2-Team Tie

Head to Head runs scored, if still tied

Total runs scored for the night; if still tied

Playoff Game

Scores on website are official; if you don't question them when posted don't ask for a correction at the end of the year.

3-Teams Tied or more

- Head to Head record, if still tied (if 1 team has a better record they get 1st place the other teams move on for the next seed see example below)
- Head to Head runs scored; if still tied
- Total Runs scored for the night.
- Playoff Game
- Scores on website are official; if you don't question them when posted don't ask for a correction at the end of the year.

Example for three way tie: Migas, Anthony's and Dick Smiths are all tied at 17-3. Migas beat Anthony's twice and split with Dick Smiths. Dick Smiths and Anthony's also split. Migas Gets 1st place. Then Anthony's and Dick Smiths would go to a 2 team tie breaker to see who gets 2nd place. If more then 3 teams are tied you continue to use the three team tiebreaker until you can use the two team rule.

Mercy Rule

1. First round : 15 after 5 innings

After first round there is no mercy rule

Semi-Finals and Finals of the playoffs must be 7 complete innings. If the game is called it will resume from the point of stoppage.
